NOTICE

The data for the backlog paper of the students has been populated in the students account.

1. The students who will have the elective papers in even semester will have to select the elective paper for enrollment and save to freeze enrollment.

2. The compulsory papers will only be available as listed applicable back papers against the students. In case of any discrepancy in the listed back papers, the students are advised to immediately consult with the college.

The students who are facing difficulty in enrollment should immediately consult with their concerned college without fail.
