Notice for capturing IA marks for Theory/Practical for regular and back paper of Final year students for Even Semester 2019-20

There are some students of final semester, whose IA marks of Theory/practical are not available. Provision for submission of all such missing IA marks in Theory/Practical papers would be available in the college login for final semester students only.

Colleges concerned would ensure submission of all IA marks to enable the online form generation and printing feature activation in the students' login for end semester evaluation 2019-20

The following would be different dates for different activities for the above mentioned purpose.

Dates for IA marks capturing	
01/07/2020	Opening of Panel for submission of Theory/Practical Papers
05/07/2020	Last date for submission of the IA marks for Theory/Practical Papers till 5:00 pm

All concerned are requested to maintain the above timeline critically considering the fact that form fill-up for all students in end semester examinations could be processed only on capturing the IA marks for Theory/Practical

For any assistance, all are advised to write the query in the 'Support' system of the portal.

(Dr. Subhashis Datta)
Controller of Examinations
