Sub: Submission of data of MAR, MOOCs, Mentoring – last date reg

Data for MAR, MOOCs and Mentoring have been submitted by the colleges in the Examinations portal regularly and database is made available to all stake holders.

During lockdown period, it is not possible to collect documents and direct interaction with the students to upload and update such data in the portal. It is therefore understood that fresh date for uploading data for MAR, MOOCs and Mentoring need to be planned after the reopening of the institutions after lockdown period.

In the meantime, all mentors are advised to be remain connected with the students to guide and advise them in terms of (i) special activities during lockdown period for MAR, (ii) taking advantage of lockdown period by enrolling fee MOOCs courses in different national/international platform for earning academic credits, (iii) mentor them for online classes, virtual labs, attending webinar, online entrepreneur and internship project activities and other online activities to enhance their knowledge and skill.

Fresh schedule of submission of data for MAR, MOOCs and Mentoring would be declared in due course after reopening of the colleges.

(Dr. Subhashis Datta)
Controller of Examinations
